

# PLAN MANAGEMENT

Empowering great futures for our clients and their families ...

## What is PLAN MANAGEMENT?

There are three main options NDIS participants can choose from to manage their NDIS funding. For those who select to be Plan-Managed, the NDIA will allocate funds in their plan to pay for a Plan Manager.

A Plan Manager is primarily responsible for:

- *Receiving invoices from service providers;*
- *Drawing funds from the NDIS portal; and*
- *Remitting those funds to service providers.*

Auscare Support has a team of experienced Plan Managers who will manage the day-to-day administrative tasks of your NDIS Plan so you can focus on achieving your goals.
